OFFICE OF THE SECRETARY, MYSORE GOVERNMENT INSURANCE DEPARTMENT, BANGALORE.

Circular No. 190.

To

The Agents and Policy-holders of the Public Branch.

The following amendments have been incorporated into the Rules of the Public Branch.

ASSIGNMENT AND NOMINATIONS.

Rule 22. The holder of a policy of Life Insurance on his own life not being an absolute assignee of the benefits under the policy, may, when effecting the policy or at any time before the policy matures for payment, nominate the person or persons to whom the money secured by the policy shall be paid in the event of his death.

Any such nomination in order to be effectual shall unless it is incorporated in the text of the policy itself, be made in the form prescribed, communitated to the Department and registered by the Secretary in the records relating to the policy and such nomination may at any time before the policy matures for payment be cancelled or changed in the manner prescribed by the Department.

A transfer or assignment of a policy made in accordance with Rule 23 other than that made in favour of the Secretary, Insurance Department, shall automatically cancel a nomination.

When the person nominated dies before the insured, the nomination becomes *ipso facto* void and the heirs of the nominee will have no claim. When more than one person are nominated, the sum assured will be payable to all of them jointly or to the survivors at the date of death of the insured. The heirs of the nominees dying before the insured will not be recognised.

An insured person making a nomination may cancel it or make a different nomination at any time.

2. The transfer or assignment shall be complete and effectual upon the execution of such endorsement or instrument duly attested except where the transfer or assignment is in favour of the Secretary of the Insurance Department but shall not be operative as against the Insurance Department and shall not confer upon the transferee or assignee, or his legal representative, any right to sue for the amount of such policy or the money secured thereby untill a notice in writing of the transfer or assignment together with either the said endorsement or instrument itself or a copy thereof certified to be correct by both transferor and transferee or their duly authorised agents has been deposited in the Insurance Department and the assignment got duly registered as hereinafter provided.

3. The date on which the assignment referred to in para 2 above is registered in the Insurance Department shall regulate the priority of all claims under a transfer or assignment as between persons interested in the policy.

4. Upon the receipt of the notice referred to in 2 above and on payment of the fee prescribed in this rule, the Secretary shall record the fact of such transfer or assignment together with the date thereof and the name of the transferee or the assignee.

5. From the date of registration of the assignment, the Secretary shall recognise the transferee or assignee named in the notice as the only person entitled to benefit under the policy.

Note 1.—All assignments of policies sent to the Insurance office for registration should be accompanied by duplicates, duly signed, dated and attested as in the case of the originals. Such duplicates are required for record in the office and assignments received without them will not be registered.

Note 2. In registering an assignment, the Insurance Department does not admit or express any opinion as to the form, legality, validity or effect of an assignment and the assignor should satisfy himself on these points before submitting the assignment for registration. A fee of Re. 1 is levied for registering any assignment other than that made by the insured in favour of his/her wife/husband, children or parents for love and affection.
